DIRECTORATE LEVEL

1. PARTICULARS OF THE ORGANIZATION, FUNCTIONS AND DUTIES (Section 4 (1) (b) (i) of Right to Information Act, 2005).

- I. Introduction:** The Administrative Head is the Commissioner and Secretary to the Government of Nagaland, Department of Animal Husbandry and Veterinary Services. He is assisted by one Additional Secretary, one Joint Secretary, and one Deputy Secretary along with supporting staff. The Directorate of Animal Husbandry & Veterinary Services was established in 1965. The Directorate was initially headed by a Deputy Director but it has now become a full fledged Directorate headed by a Director, assisted by 3 Additional Directors, 18 Joint Directors and 56 Deputy Directors and 87 VAS. There are 11 Chief Veterinary Offices headed by a Chief Veterinary Officer.
- II. Name of the organization:** Department of A.H. & Veterinary Services, Nagaland, Kohima.
- III. Address with location:** Directorate of A.H. & Veterinary Services,
Secretariat, Below NPSC Office,
Kohima: Nagaland
- IV. Phone/ Fax:** a. 0370-2221320 (Phone)
b. 0370-2221704 (Fax)
- V. Vision:** With the reduction in import and satisfactory per capita availability on meat and milk. The Vision of the Department is to produce meat with special reference to pork including milk for value addition with prospect for export by 2030 as follows:

Animal Husbandry and Dairying Sector:

- i. Strive to attain **self-sufficiency** on **meat**.
- ii. Focus towards achieving **“White Revolution”** in the State.
- iii. Produce surplus for **“Value Addition” & “Export”**.
- iv. **“Genetic improvement”** of livestock & poultry breeds through infusion of superior germplasm and selective breeding.
- v. **“Create self-employment”** avenues through livestock & poultry farming and raise employability.
- vi. In situ **conservation of Indigenous Animals** like Indigenous Pig-Tenyivo, Long Haired Goat- Sumi Ne, Mithun & Poultry with future prospect for production of **organic meat** in its own breeding tracts. **Nagal breed** of pig which is commonly available in the State is in the process of recognition by NBGAR.
- vii. Identification and propagation of **local fodder grass & trees** having high protein for meeting the requirement of Livestock & Poultry feed within the State.

Veterinary Services Sector:

- i. Delivery of Veterinary Health Care Services at the **farmers’ doorstep**.
- ii. Provide preventive Veterinary Public Health Services specific to **zoonotic diseases**.

VI. Approaches: In order to achieve the above visions, the Department intends to adopt the following approaches –

- i. The involvement of the rural farmers - “Peoples Participation” in the Villages. Rural farmers shall be encouraged to invest their resources on livestock production and also help in implementation of the schemes. This will help in uplifting the rural economy as well as bridge the gap between demand and availability.
- ii. Setting up of “Commercial Pig, Dairy Cattle, Goat Breeding Farms” on PPP mode in Peri-Urban & Rural Areas.
- iii. Production through “Cluster Approach” – to ensure effective monitoring and success of the schemes and marketing.
- iv. “Zoning of Livestock” district wise and formulate sustainable schemes for each district.
- v. “Adoption of Villages” for production of pork and Indigenous Animals specially Mithun
- vi. “Formation of Self-Help Groups / Cooperative Societies” to promote production and marketing in an organized manner.
- vii. “Consolidating and dovetailing the entire Health programme” under State & CSS into an effective delivery system at the doorstep of the farmers.
- viii. Emphasis on “value addition on milk and meat products” with the processing technology available in the State.
- ix. Enhance “training & capacity building” through extension services.

VII. Strategy in achieving the vision: The above-mentioned Vision Statement requires meticulous Planning and Implementation of existing Projects and Schemes judiciously so that the Vision is achieved within the set time frame. For which the following strategy is being proposed –

Animal Husbandry and Dairying Sector:

- i. Facilitate meat and milk production at **farmers household** level so as to upscale production.
- ii. Encourage progressive entrepreneurs for livestock production at **commercial scale** through organized support mechanism from the Government.
- iii. Set up Nucleus Pig Breeding Centers with exotic germplasm for propagation of productive pigs at the farmers level supported by mandatory application of **Breeding Policy**.
- iv. Set up **Boar Station** facilitated with semen processing laboratory for propagation of superior germplasm through Artificial Insemination (AI). Satellite AI centers to be set up in all strategic locations making the facility accessible to all needy farmers.
- v. **Impacting rural piggyery** for increase production at community level, production of known genetic female line from Nucleus Piggery Farm and availability of superior boar semen from Boar Station shall be synchronized through an organized platform for **production of finisher pigs**. This cumulative achievement shall result in self-sufficiency in pork with scope for export by 2030.
- vi. Providing logistic support for Dairy Development through Setting of **Dairy Plant** in all District Headquarters and installation of **Bulk Milk Cooler** in all the Milk Shed Areas and Milk Routes to harness surplus milk for Value Addition.
- vii. Usage of **High Pedigree Frozen Semen and Embryo Transfer Technology** in line with the Breeding Policy of Cattle for enhancing Milk Production at a faster pace.
- viii. Mandatory **Herd / Population Registration** of livestock and domestic poultry for creating real-time database.
- ix. Capacitate and create village level extension worker in the capacity of **Livestock Service Provider** (LSP) to facilitate door step veterinary service delivery system, collection of field data and reciprocate bottom to top need-based services.
- x. Develop **Livestock Insurance Policy** for Major Livestock owned by farmers.
- xi. Harnessing of available feed resources and capacitate entrepreneurs by developing self-sustainable organization such as **Feed Corporation** for self-reliance. Develop Support System like feed analytical laboratory, incentivized cereal production (Maize, Soybean and oats) at farmer level by installing feed processing machineries such as grinders accessible to farmers. The entire system shall be supported with an in-built buy-back policy.
- xii. Setting up of one **Referral Hospital** and up-gradation of existing Veterinary Hospitals into **Poly Clinics** including **Veterinary Dispensaries** in all the Blocks.
- xiii. Establishment of **Quarantine infrastructures** both at International (in-line with the International Border Haats at Longwa, Chen Moho, Avankhu and Pangsa) and Inter-State level to check epidemics effectively.
- xiv. Setting up of **Mother Pig Farm** for production of **known genetic piglets** suitable to the State for further propagation at the farmers' level.

VIII. Objectives of the Department:

- i. Consolidating the achievement made in the earlier Plan Periods.
- ii. Intensify infusion of superior germplasm through Artificial Insemination with special reference to Dairy Cattle & Pigs with the aim in attaining self-sufficiency in Milk & Meat through peoples' participation.
- iii. Focusing on White Revolution in the State through promotion of Dairy Farmers.
- iv. Promotion of Crossbred animals while conserving & improving the indigenous breeds.
- v. Setting up of breeding farms on piggery, poultry & goatery at the farmers' level.
- vi. Setting up of Slaughter house & abattoir for providing wholesome meat and effective utilization of the byproducts.
- vii. Enhance feed and fodder production.
- viii. Provide marketing linkages to the producers through buy back policies.
- ix. Harnessing surplus for Value Addition.
- x. Provide health care facilities to the doorstep of the farmers.
- xi. Provide self-employment opportunities through livestock and poultry farming.
- xii. Intensify training and capacity building.

Thus, during 2024-25, the Department shall give a major boost in production of meat and milk supported with health care services with the existing available schemes under State & CSS including other logistic backup with a view to encourage the farmers to take up Animal Husbandry as a profitable occupation with prospect of self-sufficiency & industrialization through value addition. For which, the Department of A.H. & Veterinary Services shall act as a facilitator through various programmes.

IX. Activities / Functions of the organization:

- i. Livestock & Poultry Development
- ii. Improvement of Seed Stock
- iii. Dairy Development
- iv. Conservation of Indigenous and Threatened Breeds
- v. Animal Health & Veterinary Services
- vi. Creation of Employment Opportunities
- vii. Enhancement of Food Basket
- viii. Consultancy Services.
